ORDER NO. 251 JKPCC of 2024  
DATED 10 -02-2024

Whereas, no activity having bearing on environment can be taken in hand, without prior consent of the J&K Pollution Control Committee, as warranted under **Section 25/26** and **Section 21** of the **Water (Prevention and Control of Pollution) Act 1974** and **Air (Prevention and Control of Pollution) Act, 1981** respectively.

Whereas, *Sh. Whereas, pressing complaints against the operation of the unit have been received from LG's Grievance Cell, which stands verified at ground as genuine.

Whereas, the owner of the unit was accordingly served with repeated notices, (latest on **18-11-2023**), calling upon him to show cause as to why legal action including closure of his unit be not taken for violation of environmental laws.

Whereas, unit holder has failed to show any response to the notices, besides failing to take measures to meet the requirements of laws governing environmental protection.

Whereas, fresh inspection of the unit was carried out by the Divisional Officer, Pollution Control Committee Jammu (South) on **29-12-2023**, revealing that the status of the unit remains unchanged. Whereas, the unit in question cannot be allowed to operate with above status as the operation can prove detrimental for human health and environment besides being in flagrant violation of laws governing environmental protection.

Now, therefore, in exercise of powers vested in the J & K Pollution Control Committee under Section 33 (A) of the **Water** (Prevention and Control of Pollution) Act, 1974 and Section 31 (A) of the **Air** (Prevention and Control of Pollution) Act, 1981, the following directions are hereby issued:-
